## **Webinar: CSIRO STEM Professionals in Schools Program**

**Date: Wednesday, May 5<sup>th</sup>, 2021**

**Time: 12.00pm**

*Science, Technology, Engineering and Maths (STEM) skills are critical to building the Australian workforce of the future. Julie McClements of the CSIRO will discuss how STEM professional volunteers are inspiring students, increasing teacher capability and improving the understanding of STEM career pathways by bringing real Science, Technology, Engineering and Maths into the classroom.*

Learn how you can get involved and how your involvement can help bridge the gap between the classroom and real-world STEM practice.
