Section 3: What competencies have you gained from study and work to support this application?

Please detail the skills/competencies you have gained from your work and study in Table 3 below.

Use this guide to rate your level of competency in each applicable area of practice:

Level of competency	What this means for the CP applicant
B – Basic	Can perform tasks with some supervision
M – Medium	Can perform tasks unsupervised
A – Advanced	Able to troubleshoot and teach or supervise others
E – Expert	At the top of the field, highly knowledgeable, a ‘go-to’ person/expert

If your career is longer than 10 years, please concentrate on the last 10 years. Assessors need to see sufficient (and a range of) skills/competencies to ensure that you have the required experience in the Discipline.

In addition to detailing your competencies in the Discipline Areas of Practice (as detailed below, extracted from [Guideline 3: Areas of Practice](#), please include any other competencies you have gained that you believe are relevant to this Chartered Professional Discipline. You must provide clear evidence you have worked competently in the area of practice and in the discipline, applied for a period of at least 5 years since qualification.

You are not required to respond to every Area of Practice; only those relevant to you.
