Cairns, Friday 7 June 2024

Minerals and Mining Innovations

AusIMM Resourceful FNQ 2024 – Cairns, Friday 7 June 2024

Minerals and Mining Innovations Forum

On behalf of the AusIMM Far North Queensland Branch, I am pleased to extend an invitation to sponsor our upcoming AusIMM Resourceful FNQ 2024 – Annual Forum and Dinner. These events will be held at Crystalbrook, Riley on Friday 7 June 2024.

AusIMM Far North Queensland Branch was founded in 1975 and represents the northern region extending past Townsville to Cape York. Since 2008, the Branch has hosted an annual event showcasing the existing and up and coming exploration and mining projects in the Far North Queensland region.

The FNQ Branch has been working towards a modern approach to minerals and mining innovations in the region including the delivery of new and exciting events for our diverse range of professionals. The committee has been exploring opportunities to collaborate with other local mining related organisations and will be hosting the third Resourceful FNQ – Annual Forum and Dinner focused on local innovations, technology and ESG trends in the minerals and mining industry in FNQ.

Sponsorship opportunities for the Annual Forum and Dinner are outlined below.

For enquiries and bookings, please contact:

Dr Geraldine McGuire
Chair, AusIMM Far North Queensland Branch
E. gmm@sustainablesolutionsglobal.com / farnorthqld@ausimm.com.au

Ryan MacNeill
