

2026 Regional Mining Symposium Schedule

8.00 Symposium Open

8:30 Welcome Address

8:40 AusIMM Address

9:05 Session One

Lucy Barrie

Chris Carr

AusIMM NWQ
Branch
AusIMM

Keynote Address

Geological Survey work in the Northwest Minerals Province

Barry Merrick

Janelle Kerr

Geological
Survey of
Queensland

10:30 Morning Tea

11:00 Session Two

Proudly Sponsored by Glencore

GLENCORE

Digital Drill and Blast Optimisation at George Fisher Mine

Implementing RockMapper to improve efficiency and quality of
geotechnical development inspections and data collection at
Dugald River Mine

The economics of copper ore transport - by camel

Kyu Karawita &
Lucy Barrie

Jamilla Eime

Colin Randall

Orica & Glencore
- GFM

MMG

Cloncurry &
District Historical
& Museum
Society

12:25 Lunch

13:25 Session Three

Proudly Sponsored by Magotteaux

MAGOTTEAUX

Understanding Performance Guarantees for Grinding Media Supply

Characterisation and Flotation Behaviour of Copper Slag at Mount
Isa Mines

Andry
Lazamanana

Jason Begelhole

Magotteaux
Australia

Glencore

14:25 Afternoon Tea

15:00 Session Four

Beyond the Baseline: Supporting ESG Capability for Queensland's
Critical Minerals Industry

Narelle Wolfe

Lucy Barrie

AusIMM

AusIMM

15:30 Closing Presentations

18:00 Networking Hour
