Application Guidelines

Students (or their supervisors on the students behalf) should provide a written application with the following information:

- Purpose of funding
- Budget
- Name(s) of the individuals/organisations who are requesting the funding.
- Date by which funding is required.

Funding is generally by way of reimbursement of actual costs incurred, up to but not exceeding the pre-agreed grant amount.

The EET reserves the right to accept or decline any funding application at the sole discretion of the Trustees.
