NZ Branch Annual Conference and Dinner Wellington, 19-21 August 2024

On behalf of the AusIMM New Zealand Branch, I am pleased to extend an invitation to sponsor our upcoming AusIMM Branch Annual Conference and Dinner 2024. These events will be held at the Rydges Wellington with welcome drinks on the evening of Monday 19 August, our Annual Dinner will be held on the evening of Tuesday 20th August and two days of technical talks on 20 - 21 August 2024.

This event continues our recent tradition of offering explorers forums on minerals of interest to both our New Zealand members and non-members.

This year's conference will focus on *Shaping the Future of New Zealand's Resource Sector: Innovative Solutions for Critical Minerals*.

This year's conference will focus on how mining and minerals can enable a sustainable future. Technology, geology, mine planning, sustainability practices, regulatory issues, health and safety, and Iwi perspectives will be of interest to researchers, explorers, operators, and new professionals working in the minerals sector. University students undertaking research in earth sciences, environmental, engineering, and societal aspects of minerals are encouraged to attend. Travel and attendance scholarships will be available for students. The conference is in part designed to complement our career roadshow delivered to New Zealand universities.

The conference subject areas will include exploration and geology, new and emerging technologies, mine planning, minerals and mineral processing, environmental, social, governance (ESG), health and safety, regulatory perspectives, policy, Iwi, rehabilitation, sustainability, and life-cycle management.

We would greatly appreciate your support as a sponsor and/or exhibitor. The AusIMM NZ Branch conference is a key opportunity to engage with the minerals industry, promote your brand and highlight your contribution to the industry and the services you offer. Whatever the level of your support may be, it will be appreciated by the AusIMM, and, importantly, recognised as such by the mineral's community.

As the main professional organisation for the mineral sector in New Zealand, the AusIMM NZ Branch helps to ensure that the minerals industry in New Zealand is here for the long term. It also provides inspiration and support to students who will become the next generation of professionals and promotes professional standards and ethics.

The conference is our sole source of income that funds all our activities, including student scholarships, professional development, invited speakers, and regional activities throughout New Zealand. A successful conference is essential for the ongoing operation of the NZ Branch.

We look forward to seeing you in Wellington.

Regards,

Hamish McLauchlan
Chair, AusIMM New Zealand Branch

Trade Exhibition Opportunities

Placed in the main networking and catering areas, an exhibition booth allows you to display your brand, projects, and/or equipment with the maximum exposure to foot traffic. Exhibiting is great for those companies who want to have their own space to network with delegates, and display their brand; plus, the display areas are a great place for impromptu meetings.

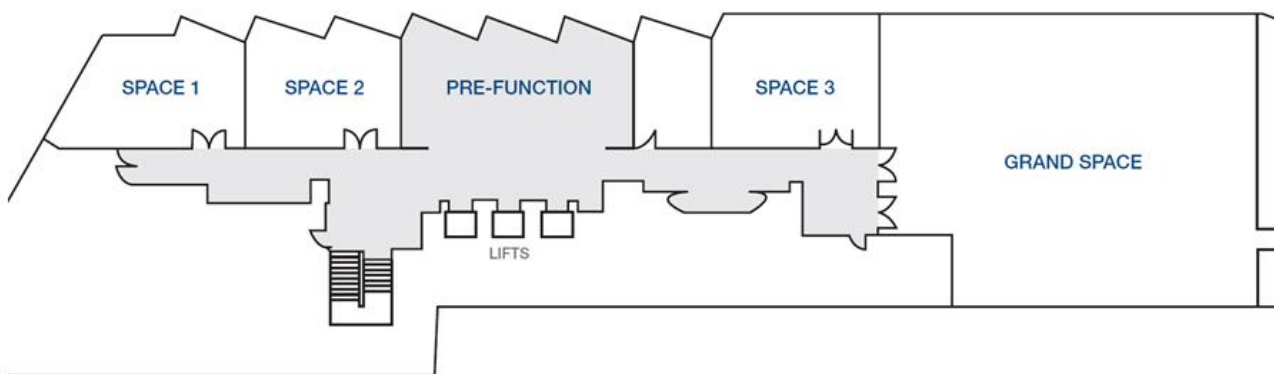

Benefits include:

- Conference morning and afternoon teas and lunches will be held in the two Exhibition areas.
- Your company logo on the conference website, including a link to your company homepage.
- Spaces will be allocated in order of receipt and priority based on level of sponsorship.
- **Please note there will be two separate exhibition areas, catering will be served in both areas and all delegates will be encouraged to visit both spaces during the event.**

Main exhibition area - \$1700 +GST *Pre-Function – reserved for Platinum & Gold sponsors

Second exhibition area - \$1500 +GST *Space 3 – floorplan TBC exhibitors will be contacted

Technical presentations will be held in Grand Space

Exhibitor Pass

If you require a second person on your booth who is not a delegate, you can purchase an exhibitor pass for \$400 plus GST, which includes:

- Entry to the Welcome Function
- Full day catering during technical sessions

*Note: the Exhibitor Pass **does not** include entry to technical sessions, a full delegate pass must be purchased for this.
