---

### Supporting Information

Please list any previously held scholarships, bursaries, awards or prizes, including the year in which they were granted.

---

---

Please list any other sports, social or cultural activities in which you are involved, including any positions of responsibility held at university and external organisations.

---

Please include relevant details of work experience and other supporting information or activities that indicate your interest in the resources industry.

---

How will this broaden your experience of AusIMM and the resources industry?

---

Is there anything else you would like to say about yourself that could be of interest to the judges of the scholarship?

---

**Please return completed form to:**
