Suzy will take the group through her "Leading You, Leading Up" program, which is delivered over 3 sessions throughout the day. Key topics include Leading Your Mindset, Leading You With EQ and Leading And Managing Up.

Inspirational Speaker at Wollongong – Sarah Carli (Olympic Hurdler)

Sarah Carli is an Australian track and field athlete who specializes in the 400 metres hurdles. In December 2020 she ran a new PB of 55.09 and in doing so gained herself an Olympic qualification time for the Tokyo Olympics. However, unfortunately, Sarah sustained a life-threatening injury while training in the gym in February 2021, putting her Olympic preparations to a halt. Following surgery and a long 4-month rehabilitation process Sarah was medically cleared to return to full training just 6 weeks before the Olympics, running fifth in her 400m hurdles heat.

Continuing her comeback Sarah ran a new personal best of 54.66 in Turku Finland in June of 2023, just two years after her nearly career ending injury. With all eyes on the 2024 Paris Olympics Sarah plans to be there in career best shape.

Inspirational Speaker at Hunter & Dubbo – Alicia Ferguson (Olympian - Matildas)

Alicia Ferguson (Eesh) holds a world record. It's a 21-year-old world record for the fastest red card in a FIFA Women's World Cup. However, that moment as a 16-year-old debutante was really just the beginning of her football story. Born in Brisbane, Eesh has represented Australia at two FIFA Women's World Cups (1999 and 2007) and an Olympic Games (2000) in her 66 for Australia. Since her playing retirement, Ferguson has worked as a football pundit and columnist. She began her television career working for the ABC, primarily on their W-League and Matildas coverage, then moved to ESPN as a studio commentator for the 2011 FIFA Women's World Cup. She has excelled in male dominated environments and paved the way for future female champions.
