**5–7 October**

# Prioritising safety at work

Safety is the foundation of a resilient, sustainable resources sector.

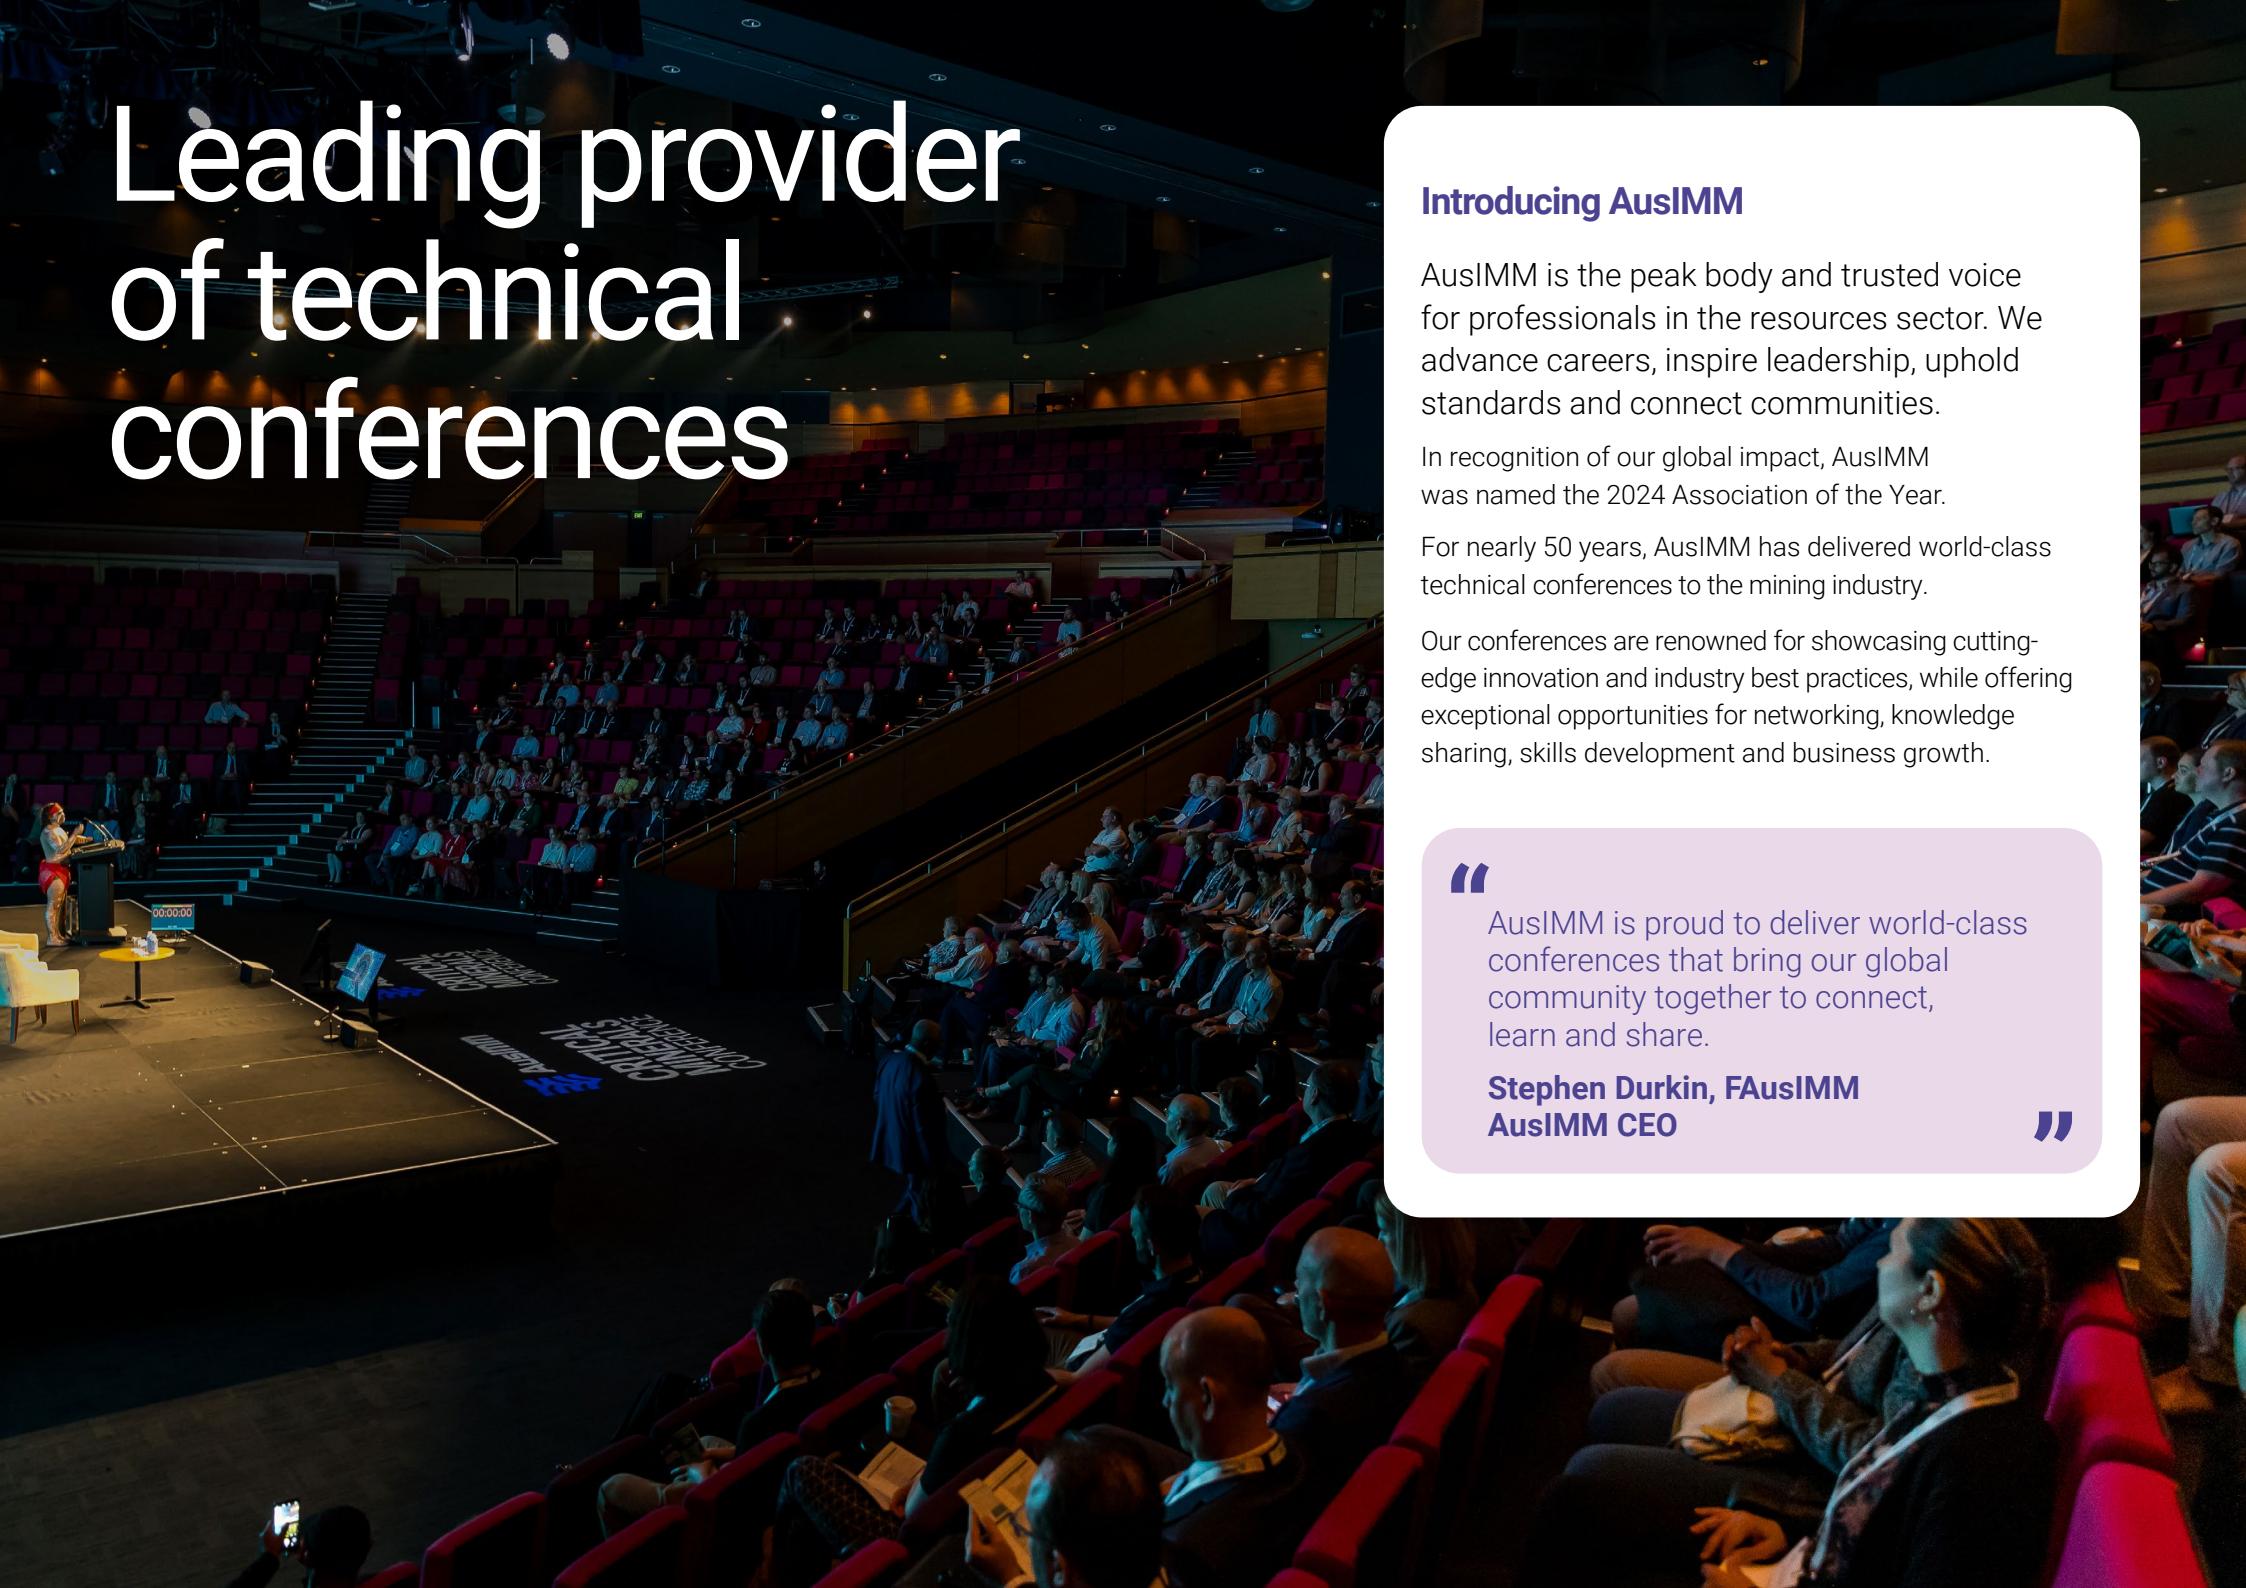

AusIMM's International Mine Health and Safety Conference 2026 will unite global leaders, researchers and practitioners to shape the future of the industry.

Over three days, delegates will explore practical strategies to strengthen leadership, culture and communication, support the workforce and create a safer physical environment.

This is your opportunity to connect with industry experts, share knowledge, and contribute to conversations that drive meaningful change. Bring your experiences, challenges and insights, and leave with valuable connections and fresh ideas that you can apply immediately.

Join us in Perth from 5 – 7 October and be part of the movement advancing mine health and safety worldwide.

# Leading provider of technical conferences

A wide-angle photograph of a large conference audience in a tiered auditorium. The stage is on the left, with a speaker at a podium. The audience is seated in red theater-style seats, arranged in rows that slope upwards. The auditorium has multiple levels of seating. The lighting is focused on the stage, creating a bright area against the darker seating and walls. The overall atmosphere is professional and attentive.

## Introducing AusIMM

AusIMM is the peak body and trusted voice for professionals in the resources sector. We advance careers, inspire leadership, uphold standards and connect communities.

In recognition of our global impact, AusIMM was named the 2024 Association of the Year.

For nearly 50 years, AusIMM has delivered world-class technical conferences to the mining industry.

Our conferences are renowned for showcasing cutting-edge innovation and industry best practices, while offering exceptional opportunities for networking, knowledge sharing, skills development and business growth.

“

AusIMM is proud to deliver world-class conferences that bring our global community together to connect, learn and share.

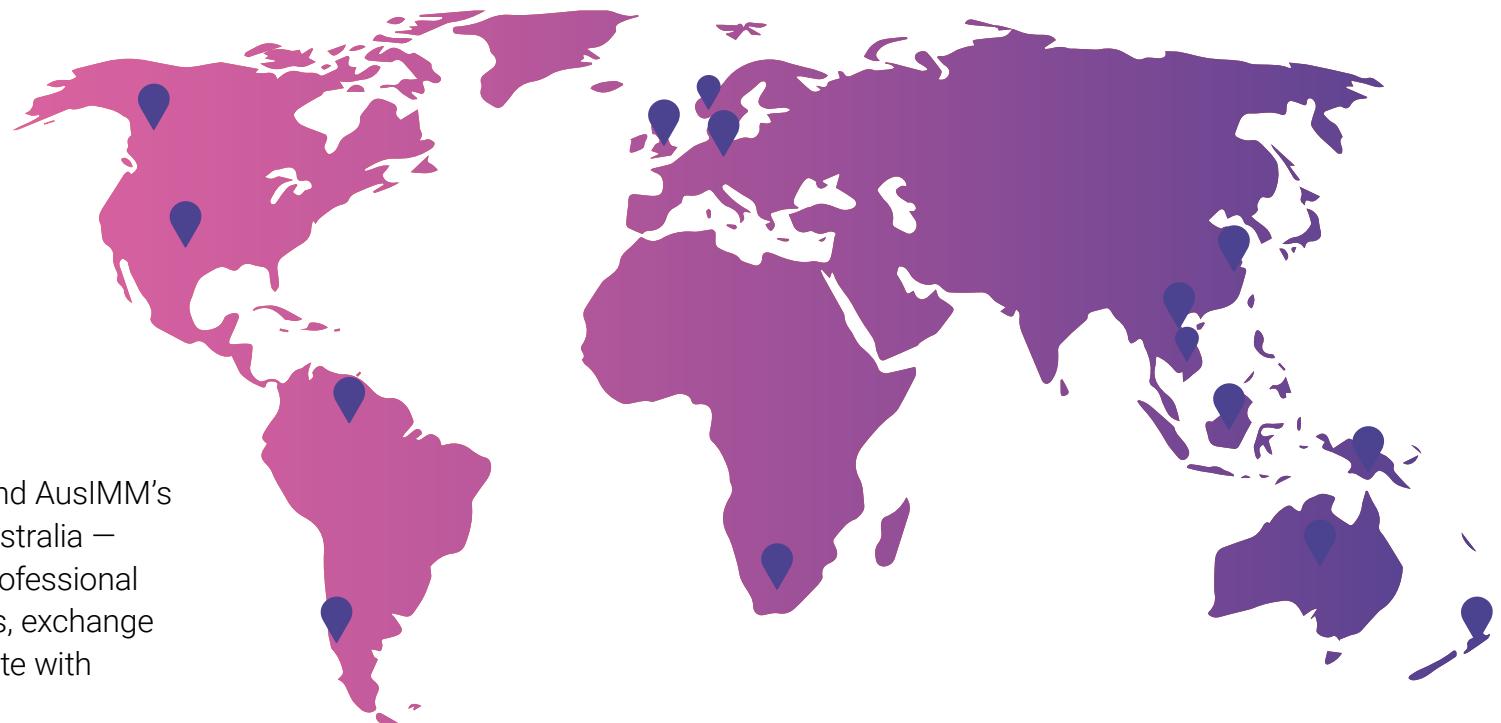

**Stephen Durkin, FAusIMM  
AusIMM CEO**

”

# Global audience

With more than 15,000 engaged members and a conference database of over 60,000 mining professionals worldwide, AusIMM offers access to a highly targeted and influential audience. As a sponsor or exhibitor, your organisation will benefit from premium brand exposure on a truly global stage.

A significant number of delegates attend AusIMM's technical conferences from outside Australia – not only to continue their accredited professional development, but also to share insights, exchange ideas, build relationships and collaborate with industry professionals at all levels.
