NATIONAL MINING GAMES BRISBANE 2021

The National Mining Games is an adaptation of the International Mining Games, where students from around Australia get together and compete in a range of events for the title of National Mining Games Champions. The Games are dedicated to all miners who have lost their lives in the course of duty and aim to keep traditional mining methods alive; many of which date back to the 17th century.

The University of Queensland Student Chapter of the Australasian Institute of Mining and Metallurgy (AusIMM) is proud to be the host of the 2020 National Mining Games, held at the conclusion of the New Leaders Conference. These events will be held over the week of the 28 September-2 October.

In 2020 the National Mining Games will be held at the UQ Mining Games Training Grounds in Pinjarra Hills and will feature 7 events; Air leg, Blast Face Tie In, Gold Panning, Mucking, Rock Identification, Swede Saw and Track Stand.

The competition will include women's, mixed, men's and for the first time Alumni teams competing in these events for prizes to be awarded at the Gala Dinner and Awards Ceremony on the evening of the final day.

The goal of the Games is to build comradery and connections within and between students and industry as well as highlight the significant role mining plays within our community.

To make these games a success we need the help of industry supporters. The following sponsorship package outline the available levels of support. We look forward to your involvement in this much anticipated event.
