Australia's premier underground mining conference

AusIMM is excited to welcome over 2,000 delegates from around the world to Perth, Australia, for one of the most significant events in our 134-year history.

Underground Operators 2027 marks the 50th anniversary of AusIMM's flagship conference – honouring five decades of innovation and leadership in underground mining.

The program will feature world-renowned keynote speakers and more than 40 technical presentations exploring the latest advancements in technology and automation with solutions for mining at greater depths and lower grades.

Bringing together engineers, operators, managers, and consultants, #UGOPS2027 will deliver practical insights to enhance safety and performance in mining operations across the globe.

Leading provider of technical conferences

Introducing AusIMM

AusIMM is the peak body and trusted voice for professionals in the resources sector. We advance careers, inspire leadership, uphold standards and connect communities.

In recognition of our global impact, AusIMM was named the 2024 Association of the Year.

For nearly 50 years, AusIMM has delivered world-class technical conferences to the mining industry.

Our conferences are renowned for showcasing cutting-edge innovation and industry best practices, while offering exceptional opportunities for networking, knowledge sharing, skills development and business growth.

“

AusIMM is proud to deliver world-class conferences that bring our global community together to connect, learn and share.

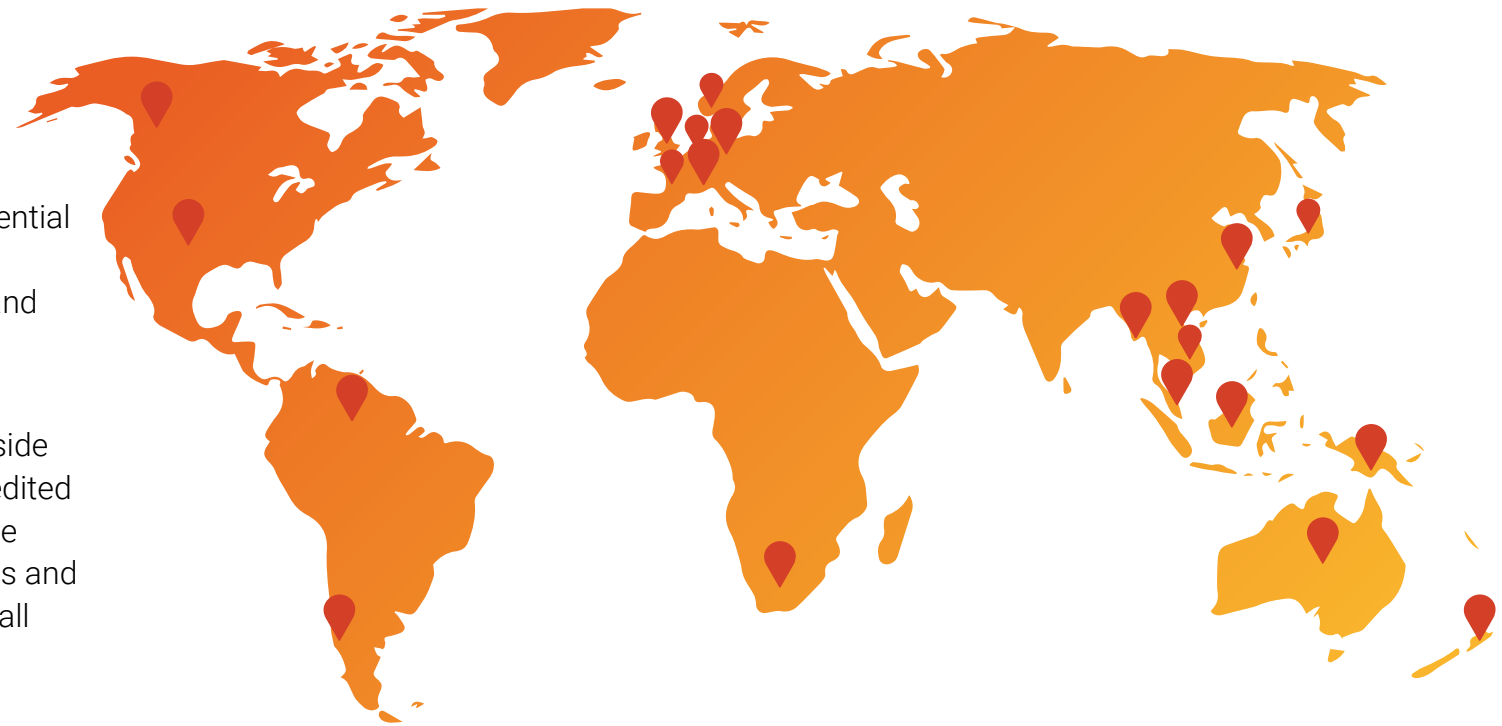

Stephen Durkin, FAusIMM
AusIMM CEO
