

AusIMM Mentoring Program 2021

People are the heart of the resources sector and essential to our industry's viability and success

MAY 2021 – OCTOBER 2021

AusIMM Mentoring Program 2021

AusIMM is leading the way for people in resources, as the peak body representing all professional backgrounds in the mining sector. We shape careers, develop leaders, create communities and uphold standards.

Providing support for every professional to thrive in the mining industry, we are adopting technology solutions to bring people together and create new pathways to interact and connect.

Online Mentoring Program

AusIMM launched its inaugural mentoring program in 2020, responding to growing interest for a structured and inclusive national program to engage and inspire professionals.

The online program connects experienced professionals with new talent across Australia via a digital tailored platform, providing accessibility and opportunity regardless of location.

The program can serve as a standalone mentoring solution or complement existing mentoring activities and offer broader connections to industry networks.

2021 Mentoring Program

Our program is unique, tailored and inclusive, offering an extraordinary possibility for men and women at various stages of their career progression.

A comprehensive matching framework sees all applicants provided with the opportunity to learn and receive career guidance from a mentor.

90% would recommend the AusIMM mentoring program to their friends and colleagues

81% agreed that they have formed new networks as part of the mentoring program

77% felt the mentoring program has made a positive impact on their career so far

Benefits to Mentees

- Gain career advice and support from a sector leader
- Widen your network and make industry connections
- Learn from a mentor who is invested in your career
- Design career goals with an external confidante
- Contact hours are valid for (PD) accreditation
- Online delivery provides greater reach and accessibility
- Exposure to new ideas and ways of thinking
- Guidance with professional growth and advancement
- The opportunity to develop new skills and knowledge

Benefits to Mentors

- Share experience and industry knowledge to nurture the next generation of mining leaders
- 'Give back' to the resources industry
- Networking and business development opportunities
- Recognition as a subject matter expert and leader
- Exposure to fresh perspectives, ideas and approaches
- Opportunity to reflect on your own goals and practices
- Contact hours are valid for (PD) accreditation
- Expand your own personal leadership and coaching style

"I was very well matched with my mentor and the career path structure was fantastic. I have been recommending this program to many of my co-workers. It is a truly amazing program and I have to thank the AusIMM. I can't wait to see how this program grows in 2021 and beyond." - Mentee

"I hope that the formal mentoring process will become a fixture for the AusIMM - there is some incredible talent out there - both mentor and mentee. It can only be to the benefit of the resource sector to support the personal and professional growth of those seeking it." - Mentor

Program Partnership Opportunities

Position your company as a champion of professional development and industry excellence and align your organisation with AusIMM as the trusted and credible voice of the mining industry. Your commitment will enhance substantial professional opportunities and demonstrate a respect and responsibility for the future of the resources sector.

We invite you to partner in this sought-after program to help support mentees and mentors in their professional and personal journey.
